PROFIT WARNING

This announcement is made by Hebei Construction Group Corporation Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) hereby informs the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary review of the Group’s unaudited consolidated management accounts for the six months ended 30 June 2020 and the information currently available, it is expected that the net profit of the Group for the six months ended 30 June 2020 will decrease by approximately 55% as compared to the corresponding period of last year.

This was due to the fact that under the continuous impact from the pandemic of COVID-19 since the beginning of 2020, market supply of material, labour services and other resources failed to resume in time, and certain projects under construction cannot resume operation and production as scheduled, which resulted in certain production failing to resume normal operation and prolonged cycle of project construction. In addition, most of the projects tendered have delayed the bid opening or cancelled the original plan for implementation, which resulted in decrease of new projects undertaken.

Notwithstanding the above, the Board would like to emphasize that there is no cancellation of major contracts cancelled as a result of the epidemic.

to be made before the end of August 2020. Such information may be different from the information set out above.

Shareholders and potential investors are advised to exercise caution when dealing with the shares of the Company.
